Introduction

Overview

It is the policy of the Division of Chemical Education, Inc. and the Board of Publication, Inc. (“the Organizations”) to reimburse committee members for reasonable and necessary expenses incurred in connection with approved travel on behalf of the Organizations. The Organizations strongly encourage use of travel discounts when making travel arrangements.

Travelers seeking reimbursement should incur the lowest reasonable travel expenses and exercise care to avoid impropriety or the appearance of impropriety. Reimbursement is allowed only when reimbursement has not been, and will not be, received from other sources. If a circumstance arises that is not specifically covered in this travel policy, then the most conservative course of action should be taken.

Meeting travel policies are aligned with Organization reimbursement rules. All meeting-related travel paid with the Organizations’ funds must comply with Organization expenditure policies.

Authorization and responsibility

Committee member travel must be authorized. Travelers should verify that planned travel is eligible for reimbursement before making travel arrangements. Within 21 days of completion of a trip, the traveler must submit a Travel Reimbursement form and supporting documentation to obtain reimbursement of expenses.

The Travel Reimbursement form, along with corresponding receipts, must be submitted to the business manager. Payment will be approved by the appropriate treasurer. Requests for reimbursement by the business manager will be approved by the treasurer before the payment request is submitted for final approval.

The business manager will review expenditures and submit reimbursement for approval to the treasurer if there is reason to believe that the expenditures are inappropriate or not in accordance with the letter or spirit of the travel policy.

A copy of the Travel Reimbursement form can be found in Appendix A.

Personal funds

Travelers should review reimbursement guidelines before spending personal funds for
travel to determine if such expenses are reimbursable. See Section II: Travel Expenses/Procedures for details. The Organizations reserve the right to deny reimbursement of travel-related expenses for failure to comply with policies and procedures.

Travelers who use personal funds to facilitate travel arrangements will not be reimbursed until after the trip occurs and proper documentation is submitted and approved.

**Exceptions**

Occasionally it may be necessary for travelers to request exceptions to this travel policy. Requests for exceptions to the policy must be made in writing, or by email, and approved by the appropriate treasurer.

**Travel Expenses/Procedures**

**General Rules**

Requests for reimbursements of travel-related expenses are submitted on a Travel Reimbursement form. This form must be accompanied by supporting documentation.

These forms must be submitted to the business office within three weeks after the trip is completed. Travel Reimbursement forms not submitted within this time frame require exception approval from the treasurer.

Reimbursement of travel expenses is based on documentation of reasonable and actual expenses supported by the original, itemized receipts where required. Reimbursements that may be paid by the Organizations are shown below.

**Airfare.** An original itemized airline receipt, an e-ticket receipt/statement or an Internet receipt/statement is required. The receipt must show the method of payment and indicate that payment was made.

Travelers are expected to obtain the lowest available airfare that reasonably meets business travel needs. Travelers are encouraged to book flights at least 30 days in advance to avoid premium pricing.

First-class tickets are not reimbursable.

**Rail transportation.** The Organizations will pay for rail transportation provided that the cost does not exceed the cost of the least expensive airfare.
An original itemized receipt, original e-ticket receipt/statement or Internet receipt/statement is required. The receipt must show the method of payment and indicate that payment was made.

**Automobile (personally owned).** A valid driver’s license issued within the United States and personal automobile insurance are required for expenses to be reimbursed. Drivers should be aware of the extent of coverage (if any) provided by his or her automobile insurance company for travel that is business or not personal in nature.

Reimbursement for use of a personal automobile is based on the federal mileage rate.

The Travel Reimbursement form is required for reimbursement.

**Conference registration fees.** Registration fees paid directly by Program Chairs and High School Day Chairs will be reimbursed after the conference is completed with an appropriate receipt in addition to the Travel Reimbursement form.

**Lodging (commercial).** The Organizations will reimburse lodging expenses at reasonable, single occupancy or standard business room rates.

Only single room rates are authorized for payment or reimbursement unless the second party is representing the organization in an authorized capacity. If the lodging receipt shows more than a single occupancy, the single room rate must be noted. If reimbursement for more than the single room rate is requested, the name of the second person must be included.

**Meals (per diem).** The Organizations’ per diem rates are based on the U.S. General Services Administration Guidelines, which vary by city location. In addition to meals these rates include incidental expenses such as laundry, dry cleaning and service tips (e.g., housekeeping or porter tips). Incidental expenses, unless specifically cited in this policy, will not be reimbursed.

Per diem reimbursements are based on departure and return times over the entire 24-hour day and are prorated accordingly.

Receipts are required for per diem allowances. Per diem allowances are reimbursed after the trip is completed. Per diem rates are the maximum amounts allowed for reimbursements. Reimbursement paid is the lesser of either the actual receipts submitted or the per diem rates.
Parking. Original receipts are required for parking fees (including airport parking). The lodging bill can be used as a receipt when charges are included as part of the overnight stay.

Tolls. Original receipts are required.

Miscellaneous transportation. Original receipts are required for taxi, bus, subway, metro, ferry and other modes of transportation.

Maximum Reimbursements and Days/Nights Allowed. Maximums have been set to control expenses. Maximums are dependent on a traveler’s position within the organization. A table of maximum reimbursable expenses can be found in Appendix B.

The Executive Committee includes Alternate Councilors.

Additional Rule for Councilors. Councilors receive ONLY the reimbursement for ExCom members, unless they attend the Council meeting. The Councilor MUST provide a copy of the yellow voting card to receive reimbursement. It is recommended that the Councilor (or Alternate if substituting for the Councilor) scan or take a picture of his/her voting card as soon as he/she receives it.

Additional Rule for Alternate Councilors. Alternate Councilors may get Councilor reimbursement if they attend a Council meeting in place of the Secretary or the other Councilor. Anyone requesting Councilor reimbursement must use the Councilor form (see Appendix C) in addition to the Travel Reimbursement form along with a copy of his/her voting card as proof of attendance. The Treasurer or Business Manager is responsible for forwarding all necessary paperwork to the American Chemical Society for reimbursement. See also the Councilor Rule regarding voting cards and substituting for the Councilor.

Reimbursement from Another Entity. If a Division member gets reimbursement from another American Chemical Society entity, the member should request from the Division of Chemical Education, Inc. or Board of Publication, Inc. ONLY the expenses NOT reimbursed by the other entity.

Ex-Officio Members. Ex-officio members are reimbursed according to their last office held.

Registration Reimbursement. Only Program Chairs, Meeting Co-chairs, and High School Day chair, and Regional Meeting Representatives will receive registration reimbursement.
Before using this form, you should consult the Travel Expense Policy for allowed expenses and other terms.
